ದಕ್ಕಾಗುವುದಿಲ್ಲ. ನಾಳೆ Conference ಇದೆ. ಅದರಲ್ಲಿ ಯೋಚನೆ ಮಾಡುತ್ತೇವೆ.

ಶ್ರೀ ಕೆ. ಪಿ. ರೇವಣ್ಣ ಸಿದ್ದಪ್ಪ.—ಎಷ್ಟು ದಿವಸದ ಮೇಲೆ ಹಣ ಕೊಡಬೇಕೆಂದಿದೆ?

ಶ್ರೀ ಎಂ. ವಿ. ಕೃಷ್ಣಪ್ಪ.—ಇಷ್ಟು ದಿವಸವೆಂದು ಹೇಳಿಲ್ಲ. ಕೆಲವು ನಲ ಪಾರ್ಟಿಗಳು ಬಂದು ಕೇಳುವುದೇ ಇಲ್ಲ. Mutual Negotiations ಮಾಡಿಕೊಂಡು acquire ಮಾಡುತ್ತಿದ್ದಾರೆ. ಇನ್ನೂ acquisition ನಡೆವಳಿಕೆಗಳು ಪೂರ್ತಿಯಾಗಿಲ್ಲ.

ಶ್ರೀ ಕೆ. ಪಿ. ರೇವಣ್ಣ ಸಿದ್ದಪ್ಪ.—ಯಾರು ಆಕ್ಟ್ಯಿಸಿಷನ್ನಿಗೆ ಒಪ್ಪಿಗೆ ಕೊಡುತ್ತಾರೋ ಅವರಿಗೆ ಶೇಕಡ 75ರಷ್ಟು ಪರಿಹಾರ ಕೊಡಿಸುತ್ತೀರಾ?

ಶ್ರೀ ಎಂ. ವಿ. ಕೃಷ್ಣಪ್ಪ.—ಅದೊಂದು ನಲಹೆ.

ಶ್ರೀ ಗಾಂಜಿ ವೀರಪ್ಪ.—ಅಕ್ವಿಸಿಷ್ಷ ನಡೆವಳಿಕೆಗಳಾದ ಮೇಲೆ ಪರಿಹಾರ ದ್ರವ್ಯ ಸಿಕ ಬೇಕಾದರೆ ನುಮಾರು ನಾಲ್ಕು ವರ್ಷ ಬೇಕೆ?

ಶ್ರೀ ಎಂ. ವಿ. ಕೃಷ್ಣಪ್ಪ.—ಕೆಲವು ಸಂದರ್ಭಗಳಲ್ಲಿ ಬೇಗ ಆಗಿಲ್ಲ. ಆದ್ದರಿಂದಲೇ ಒಂದು Conference ಕರೆದು ಎಷ್ಟು ಬೇಗ ತೃಪ್ತಿಕರವಾಗಿ ಮಾಡಬಹುದೆಂದು ಯೋಚನೆ ಮಾಡುತ್ತೇವೆ.

ಶ್ರೀ ಸಿ. ಎಸ್. ಹುರ್ಕೋಟಿ.—4ನೆಯ ಸೆಕ್ಷನ್ ಪ್ರಕಾರ ನೋಟಿಫಿಕೇಷನ್ ಆದನಂತರ ಇಂಟೆರಿಮ್ ಕಾಂಪೆನ್ಸೇಷನ್ ಕೊಡಬಹುದಾದರೂ ಏಕೆ ಕೊಡುತ್ತಿಲ್ಲ?

ಶ್ರೀ ಎಂ. ವಿ. ಕೃಷ್ಣಪ್ಪ.—ಹಾಗೇನಾದರೂ ಇದ್ದು ಕೊಡದೆ ಇದ್ದರೆ ಕೊಡಿಸೋಣ.

ಶ್ರೀ ಗಾಂಜಿ ವೀರಪ್ಪ.—ಈ ವಿಷಯದಲ್ಲಿ ಒಂದು ಇತ್ಯರ್ಥ ಮಾಡಿ ಜರೂರಾಗಿ ಪರಿಹಾರ ಕೊಡುವುದಕ್ಕೆ ಇನ್ನೆಷ್ಟು ದಿವಸ ಬೇಕಾಗುತ್ತದೆ?

ಶ್ರೀ ಎಂ. ವಿ. ಕೃಷ್ಣಪ್ಪ.—ಸಂಬಂಧಪಟ್ಟ ಎಂ.ಎಲ್.ಎ. ಗಳನ್ನೂ ಇನ್ನೂ ಕೆಲವು ಸದಸ್ಯರನ್ನೂ ಕರೆಸಿ ಸೆಪ್ಟಂಬರಿನಲ್ಲಿ ಕಾನ್ಫರೆನ್ಸ್ ಮಾಡಬೇಕೆಂದು ಹೇಳಿದ್ದೇನೆ. ಏನೇನು ಮಾಡಿದರೆ ತೊಂದರೆಯಿಲ್ಲದೆ ಪರಿಹಾರ ಮಾಡಬಹುದೋ ಯೋಚನೆ ಮಾಡುತ್ತೇವೆ.

Total quantity of Power generated in the State.

*Q.—345. Sri ANNA RAO GANAMUKHI (Afzalpur).—

Will the Government be pleased to state:—

(*a*) the total quantity of power generated in the State by plants of various types and their installed capacity;

(*b*) the growth in the demand during the First and Second Plan and its estimation during the III Plan;

(*c*) the measures taken by the Government to meet the demand?

*A.—Sri S. NIJALINGAPPA (Chief Minister).—

(*a*)—

Sl. No.	*Category*	*Installed Capacity*	*Firm Capacity*
		KW.	KW.
1	Hydro-Electric ...	1,97,200	1,55,500
2	Diesel. ...	7,124	3,400

(*b*) Demand at the commencement of the I Plan — KW. 89,300

Demand at the end of the I Plan — 1,36,600

Demand at the end of the II Plan — 1,82,500

Estimate for Power by the end of III Plan — 9,06,000

(*c*) Government have undertaken the construction of 3 Hydro-Electric Projects which on completion, will supply additional power as follows:

	KW.
Munirabad Tungabhadra Hydro-Electric Project.	18,000
Bhadra Hydro-Electric Project	33,200
Sharavathi Valley Project (Stage I).	1,68,200
Sharavathi Valley Project (Stage II).	5,34,600
Total additional Power Supply	7,54,000

Sri ANNA RAO GANAMUKHI.—May I know the estimated cost of the two stages of Sharavathi Valley Project?

Sri B. D. JATTI (Minister for Finance).—I cannot give correct figures because the cost of certain articles are rising day by day and it is being increased.

Sri ANNA RAO GANAMUKHI.—What will be the per kilowatt cost of generation?

Sri B. D. JATTI.—That will be worked out when the scheme is completed. It will be very difficult for me to give per kilowatt cost now.

Sri ANNA RAO GANAMUKHI.—How does it compare with Munirabad Hydro-Electric Project and Sharavathi Project?

Sri B. D. JATTI.—Roughly the cost at Sharavathi Project will be less as compared to cost at Munirabad.

Sri ANNA RAO GANAMUKHI.—How many units will be commissioned during the Third Five-Year Plan in the Sharavathi Valley Project?

Sri B. D. JATTI.—The first stage consisting of two units will be completed probably by December 1963 and the remaining units will be completed roughly by the end of the Third Five Year Plan. But once two units are commissioned, every six months, one after another, the remaining units will be commissioned.

Sri ANNA RAO GANAMUKHI.—May I know the total mileage of transmission line put for the Sharavathi Valley Project after the completion of the project?

Sri B. D. JATTI.—I have no information regarding the total mileage.

Sri G. V. GOWDA.—What is the demand at the commencement of the Third Five Year Plan?

Sri D. B. JATTI.—Sir, the demand at the end of Second Five Year Plan will be the demand at the commencement of the Third Five Year Plan?

ಶ್ರೀ ಟಿ. ಡಿ. ದೇವೇಂದ್ರಪ್ಪ.—ಭದ್ರಾ ಜಲವಿದ್ಯುತ್ ಯೋಜನೆಯಲ್ಲಿ 33,200 ಕಿಲೋವಾಟ್ಸ್ ವಿದ್ಯುಚ್ಛಕ್ತಿ ಉತ್ಪತ್ತಿಯಾಗುತ್ತದೆ ಎಂದು ಹೇಳಿದ್ದೀರಿ. ಎಷ್ಟು ದಿವಸಗಳಲ್ಲಿ 33,200 ಕಿಲೋವಾಟ್ಸ್ ವಿದ್ಯುಚ್ಛಕ್ತಿ ಉತ್ಪತ್ತಿಯಾಗುತ್ತದೆ? ಆ ರೀತಿ ಉತ್ಪತ್ತಿ ಮಾಡತಕ್ಕ ವಿದ್ಯುಚ್ಛಕ್ತಿಯಲ್ಲಿ ಕಾರ್ಖಾನೆಗಳಿಗೆ ಎಷ್ಟು ವಿದ್ಯುಚ್ಛಕ್ತಿಯನ್ನು ಕೊಡುತ್ತೀರಿ, ಹಳ್ಳಿಗಳಿಗೆ ಎಷ್ಟು ಮೀಸಲಾಗಿಡುತ್ತೀರಿ?

Sri B. D. JATTI.—These details are not available. If the Hon'ble Member is interested, I will supply those details.

ಶ್ರೀ ಟಿ. ಡಿ. ದೇವೇಂದ್ರಪ್ಪ.—ಭದ್ರಾಜಲ ವಿದ್ಯುತ್ ಯೋಜನೆಯನ್ನು ಎಷ್ಟು ದಿವಸಗಳಲ್ಲಿ ಪೂರೈಸುತ್ತೀರಾ?

Sri B. D. JATTI.—That is nearly complete.

Sri G. V. GOWDA.—You were pleased to say that the demand at the end of a Plan will be the demand at the commencement of the next Plan. I would draw your attention to the fact that Demand at the end of First Plan was 1,36,600 kilowatts and the demand at the end of Second Plan was 1,82,500 kilowatts. I would ask whether you were able to meet this demand at the end of the Second Plan?

Sri B. D. JATTI.—It is known to everybody. Where is the question of replying to that?

Sri ANNA RAO GANAMUKHI.—In answer to (a) it has been stated that the installed capacity of diesel engines was 7,124 kilowatts where as the firm capacity was 3,400 kilowatts. May I know why there is so much of fall in firm capacity because I understand, as far as river projects are concerned, there may be dearth of water; I want to know the reason for such a fall?

Sri B. D. JATTI.—Sir, it depends upon diesel sets which are working. If the diesel set is new, then there will not be much difference between the firm capacity and the installed capacity. But if it is old, there will be much difference.

Sri ANNA RAO GANAMUKHI.—With reference to answer (c) Government have given answer with respect to hydro-electric projects of Tungabhadra, Bhadra and Sharavathi Valley. May I know whether the Government also want to instal thermal sets and other types of turbines to supplement power?

Sri B. D. JATTI.—It is the intention of Government to have two oil gas fire turbines under package plan each of which will generate 10,000 kilowatts.

Sri D. PARAMESWARAPPA.—Before commissioning these units, may I know whether the Government have got over the difficulties or impediments in the way of getting the materials for commissioning these units in Sharavathi?

Sri B. D. JATTI.—There were difficulties and the Government tried to get over those difficulties. If there are new difficulties, the Government will have to think of getting over them.

ಶ್ರೀ ಸಿ. ಎಸ್. ಹುಲ್‌ಕೋಟಿ.—ಅಲ್ಲಿ ಉತ್ಪತ್ತಿಯಾಗತಕ್ಕ ವಿದ್ಯುಚ್ಛಕ್ತಿಯಲ್ಲಿ ರೂರಲ್ ಏರಿಯಾಕ್ಕೆ ಎಷ್ಟು ಪರ್ಸೆಂಟ್ ಕೊಡುತ್ತೀರಿ, ಅರ್ಬನ್ ಏರಿಯಾಕ್ಕೆ ಎಷ್ಟು ಪರ್ಸೆಂಟ್ ಕೊಡುತ್ತೀರಿ?

Sri B. D. JATTI.—I do not know the percentage. But the villages that are to be electrified in the rural areas are given in the Third Five Year Plan.

Sri D. PARAMESWARAPPA.—The answer given was not clear. I put the question whether the Government got over the difficulties in the way of commissioning these units by getting the materials.

Sri B. D. JATTI.—The difficulties which were there have been got over. If new difficulties arise, we will have to think of getting over those difficulties.

Sri ANNA RAO GANAMUKHI.—May I know by the end of the Third Plan how much power you will require ? Will there be shortage or will it be equal ?

Sri B. D. JATTI.—Probably we will meet with the demand.

Sri G. V. GOWDA.—Sir, may I know the number of generating units in Sharavathi First Stage and Second Stage that are expected to function by the end of Third Plan ?

Sri B. D. JATTI.—I have explained in detail. Perhaps the Hon'ble Member was not attentive.

Sri G. V. GOWDA.—I want to know the number of generating sets that will be commissioned.

Sri B. D. JATTI.—Roughly by the end of December 1963, two units will be commissioned. Then after every six months, two units will be commissioned. So, we hope all the ten units will be commissioned by the end of Third Plan.

ಶ್ರೀಮತಿ ಸುಶೀಲಾಬಾಯ್ ಹೀರಾಚಂದ್ ಷಾ.—ಎಲೆಕ್ಟ್ರಿಸಿಟಿ ಕಮಿಟಿ ರಿಪೋರ್ಟ್ ಪ್ರಕಾರ ಬಿಜಾಪುರ ಜಿಲ್ಲೆಗೆ ಎಂಜಿನ್ ಕೊಂಡು ಕೊಂಡಿರುವುದು ಯಾವಾಗ ಬರುತ್ತದೆ ?

ಶ್ರೀ ಬಿ. ಡಿ. ಜತ್ತಿ.—ಸರ್ಕಾರದವರು ಡೀಸೆಲ್ ಎಂಜಿನ್ ಕೊಂಡುಕೊಂಡಿದ್ದಾರೆ. ಒಳ್ಳೆಯ ರೀತಿಯಲ್ಲಿ ಲೈಟ್ ಕೊಡಲಿಕ್ಕೆ ಹತ್ತಿದ್ದಾರೆ.

ಶ್ರೀಮತಿ ಸುಶೀಲಾಬಾಯ್ ಹೀರಾಚಂದ್ ಷಾ.—ಈಗ ಇರುವ ಡೀಸೆಲ್ ಎಂಜಿನ್ನಿಂದ ಉತ್ಪತ್ತಿಯಾಗತಕ್ಕ ವಿದ್ಯುಚ್ಛಕ್ತಿ ಅರ್ಧ ಊರಿಗೂ ಕೂಡ ಸಾಕಾಗುವುದಿಲ್ಲ. ಎಲೆಕ್ಟ್ರಿಸಿಟಿ ಕಮಿಟಿ ರಿಪೋರ್ಟ್ ಪ್ರಕಾರ ಪರದೇಶದ ಎಂಜಿನ್ ಬಿಜಾಪುರಕ್ಕೆ ಬರುತ್ತದೆ ಎಂದು ಹೇಳಿದ್ದಾರೆ. ಅದು ಯಾವಾಗ ಬರಬಹುದು ?

ಶ್ರೀ ಬಿ. ಡಿ. ಜತ್ತಿ.—ಈಗಾಗಲೇ ನಾನು ಆ ವಿಷಯವನ್ನು ಹೇಳಿದ್ದೇನೆ. ಶ್ರೀಮಾನ್ ಅಣ್ಣಾರಾವ್ ಗಣಮುಖಿಯವರಿಗೆ ಹೇಳಿದ್ದು ಅಷ್ಟೇ ಹೊರತು ಮತ್ತೆ ಯಾವುದೂ ತರಿಸುವುದು ಕಾಣುವುದಿಲ್ಲ.

Sri ANNA RAO GANAMUKHI.—You have menioned 'about hydro-electric power and diesel power. May I know whether thermal power is also produced by private people in Mysore State and if so, why it is not taken into consideration ?

Sri B. D. JATTI.—The power produced by private persons is not taken into consideration. There is no thermal power as such today. But there is a proposal by the Cement Works in Tumkur District to put up thermal sets.

Sale of land by the Gadag Agricultural Produce Market Committee to the Hulkoti Primary Education Society.

*Q.—368. **Sri K. P. GADAG** (Gadag).—

Will the Government be pleased to state :—

(*a*) whether Government have acquired land in or about the year 1942-43 in Revision S. Nos. 460, 461 and 462 of the Gadag-Betgeri Village for the Gadag Agricultural Produce Market Committee at Rs. 2,000 (Two thousand) per acre ;

(*b*) whether it is a fact that the Gadag Agricultural Produce Market Committee has sold some acres of the acquired land to the Hulkoti Primary Education Society at Rs. 1,000 (Rupees One thousand) per acre ;

(*c*) if so, whether Gadag Agricultural Produce Market Committee has taken necessary sanction of the Government before the said sale was effected ?

A.—**Sri RAMAKRISHNA HEGDE** (Minister for Co-operation and Development).—

(*a*) No.
(*b*) Yes.
(*c*) Not necessary.

Sri K. P. GADAG.—May I know in which year and for what price the Government acquired lands for the Gadag A.P.M.C. ?

Sri KONDAJJI BASAPPA (Deputy Minister for Co-operation).—In the year 1947, five acres and one gunta was acquired at a total cost of Rs. 12,202.12 ; in the year 1952, four acres and twenty-eight guntas at a total cost Rs. 12,967. 57 ; subsequently, another five acres have been acquired for Rs. 11,698.75. A total of fourteen acres and twenty-nine guntas have been acquired at a cost of Rs. 36,358. 44.
